

# Let's pull together!

## FUN FACTS

- There are 1,700 tab tops in a pound.
- We receive about 50 cents a pound from the recycling center.
- We make about \$8,000 a year from recycling tab tops.

## WHY DO WE RECYCLE TAB TOPS AND NOT THE CAN ?

- Most of the aluminum is in the tab.
- It's very messy and we do not have a lot of room.

## WHAT DO WE DO WITH THE MONEY ?

- We take care of families who have children in the hospital.
- Families have their own room to sleep and get rest so they do not have to pay for a hotel.
- We have meals and snacks for them so they don't have to pay to eat out every day.
