

HEARTS OF HOPE

This February help support Ronald McDonald House Charities of SW Virginia by decorating your businesses with love through our Hearts of Hope program. Your patrons can share their love for a special person in their life while also helping the RMHC-SWVA Keep Families Close when they need it the most!

Donate

Dedicate

Dedicate some time to ASK your patrons if they would like to donate and dedicate their Heart of Hope to someone special. They will be making a difference in our local community as 100% of these donations stay local!
