Your young son needs a bone marrow transplant and has been sent home on hospice care. Doctors have a grim outlook, but you're doing your best to cherish the special moments and celebrate small victories while praying for a transplant... finally, you receive news that he will receive the much-needed transplant, but his doctor is located 2 hours away from home. This is the story of the Jolivard family and their son, Daniel.

The Jolivards were soon introduced to the Ronald McDonald House, which was within walking distance from their son at the hospital. They were able to stay together as a family while Daniel recovered from the transplant. Mom, Rachel Jolivard, recalls: "[Despite ongoing struggles or even the roughest of days, when we are together, there's always happiness.](#)"

The Ronald McDonald House serves over 700 families like the Jolivards each year. Thanks to the generous support of donors like you, the Jolivard family was able to receive the most precious gift- [the gift of togetherness](#). Today, you have the opportunity to help keep these families close to each other and to the care and resources they need.

*Your donation of just \$12 will help
support the families we serve!*

*Encourage your company, church, school,
